# TO ALL OF OUR SUPPORTERS ESAC SAYS THANK YOU!!!

ESAC graciously and humbly THANKS all of our funders and supporters for the past year. We also extend our gratitude to the restaurants, sponsors and supporters of ESAC's 15th Annual Taste of JP. We also thank the community for your support!

The financial support we receive makes it possible for us to ensure the stability of neighborhoods and improve the quality of life for their most vulnerable residents. Through innovation, collaboration, and prudent stewardship we create healthy and sustainable solutions including: Foreclosure prevention programs, Senior home repair, Youth programs, GED programs & advocacy; Asthma, health, & environmental education; and Community organizing.

## Our supporters are community and civic minded organizations and we ask the community to support all of our contributors!!
