The Boston Community Change Card Program

ESAC has partnered with Boston Community Change, a program sponsored by Boston Main Streets that rewards customers and benefits the community when cardholders shop at participating local businesses.

A portion of each transaction is returned to you – the cardholder - as a cash rebate, a portion is provided to the local Main Street organization, and a portion is directed to ESAC. It's a unique opportunity to give back to your community and support our programs at the same time!

Visit www.bostoncommunitychange.org to get your free Boston Community Change Card and to learn more about how the program is transforming our communities for the better. **To choose ESAC as your beneficiary, simply click on the “Nonprofit” button, enter the word ACTION, and then click on “Search.” When Ecumenical Social Action Committee, Inc. comes up, click on the name of our organization and click on “Select as my Beneficiary”.** It's as simple as that!
